BONIES®

All-Natural, Low Calorie Dental Bone

Bonies® All-Natural bones are unique treats that use all-natural ingredients to promote fresh breath. Each ingredient is carefully selected by our board-certified animal nutritionist to ensure enjoyment and digestibility while benefiting your dog's health. Bonies contain zero saturated

and trans-fat or any animal by-products such as gelatin and animal glycerin.

Bonies come in 4 convenient sizes: Mini for dogs 5 - 15 lb, Small for dogs 5 - 25 lb, Medium for dogs 25 - 50 lb and Large/Regular for dogs over 50 lb.

- Corn, Wheat, and Soy Free
- No Animal By-Products
- Low Calorie
- Low Fat

Breath and Dental

Bonies Dental Formula contains natural peppermint and parsley to help freshen breath. Bonies use brown rice as their first ingredient, and unlike other edible chews Bonies breaks down easily in water.

Earth Friendly WAG BAGS®

Wag Bags® Make Pickup Easy & Turn a Dirty Job into a Job Well Done

Doggie Walk Bags Company (DWBC) has been performing customer research for years and have used their findings to create the ideal bag for dog waste disposal. The bags are opaque to hide their contents and thick to seal in odor and prevent breaks. Additionally, the bags are made of recycled plastic and are made here in the USA with the company based in California.

The family-owned and operated company works with the Huntington Beach Union High School District's Vocational Training Program and West view Vocational Services. Together they give developmentally disabled students and adults the opportunity to participate in a working environment.
